## Texas County Agriculture Agents Association

### *Case® Pocket Knife*

### *Order Form*

TCAAA has teamed up with W.R. Case & Sons Cutlery Company to make a special pocket knife for those TCAAA members who would like to order one. District 5 TCAAA Association has agreed to take this task on and orders will be taken three (3) times per year, Winter & Spring TCAAA Board meetings and at the Annual TCAAA State Conference each year. This is being done to help with shipping cost and to keep the cost down. If you would like to order, print, fill out and return this order form and give it to your District TCAAA Director, with a check made payable to District 5 TCAAA prior to one of the board meetings so that they can turn in your order. You can also complete and turn in the form at the State TCAAA Conference. Knives will be delivered at the next corresponding meeting to your District Director for them to deliver to you. **NOTE: The minimum number we can order at a time is 25 knives!!**
